
FOOTBALL

Football

The 1929 football season was officially opened at Woodrow Wilson Hi on September 6. Instead of training at Pinecrest Camp they practiced on the athletic field for one week.

A week later the team encountered Fayetteville, where almost everyone got a chance to play. We defeated them by the large score of 38-0.

W. W. H. S.....38 F. H. S..... 0

Beckley's first. The Fayetteville boys were light and scrappy, but the Maroon Tide rolled on to a 38 to 0 victory. Fayetteville never threatened, while Beckley crossed their goal line time after time.

W. W. H. S..... 0 W. H. S..... 6

Our boys traveled to Welch and played in a continual downpour of rain throughout the game. A successful pass from Welch in the second quarter placed the ball on Beckley's five-yard line, and three line plunges netted the only score made during the entire game.

W. W. H. S.....32 B. H. S..... 0

Did we lose, you say? "Ellno!" Bluefield never had a chance.

W. W. H. S.....31 M. H. S..... 0

The story of another team which met its nemesis! A good, clean fought game with us on the long end of the score.

W. W. H. S.....34 A. H. S..... 0

Out, Ansted, out. Football is but an actor that struts and frets its hour upon the gridiron and is seen no more.—*Shakespeare 2nd.*

W. W. H. S..... 7 C. H. S.....12

A great, very great, disappointment.

W. W. H. S..... 0 O. H. S.....20

This was another game that was played in the well-known "sea of mud and rain." A clean game (?) with Oak Hill on the Hoover side.

W. W. H. S..... 6 P. H. S.....13

A game which Beckley should have put in the bag. But Princeton fought, held and won.

W. W. H. S..... 7 H. H. S.....13

We have all heard some place, or sometime that "history repeats itself." That's what happened in the Turkey Day game at Hinton. For the past few years Hinton has won most of her games by breaks. She won by breaks on that memorable day in November, and thus history repeated itself. We went down but not out. Hinton, watch out for next year!

TOM COVEY.....*Fullback*

Big as a steam roller and just about as hard to stop. This is Tom's junior year, so we'll have another good team next year.

CLINTON WARDEN.....*Quarterback*

Clinton was one of these inspirational players. And to think of the team next year without Clinton—Oh, my! Could we suggest that an award of some nature be presented at the end of each football season to the player who affords his team the most inspiration?

WALTER RAPPOLD.....*Halfback*

Just another good backfield performer. Walter graduates this year and we will expect him to do his stuff in some college.

FRED SALEM.....*Halfback*

Fred showed us how to "shake an elusive heel" in open field running. Another good player to be lost by graduation.

RAY TUCKER.....*Center*

Watta center! And a Freshie, too! Ray has the best of chances for All-State before he graduates.

WOODROW VINES.....*Guard*

Another player with a satchel full of inspiration. And he made his opponents live lives as hard as pretzels.

LESTER WILLIS.....*Tackle*

Big? (Somewhat!) And he made his opponents lead miserable lives!

HOWARD GRIFFITH.....*End*

Was he a good player? He's a fourth-year letter man; judge for yourself.

FRED HURT.....*End*

Mabscott again! Fred plays a real game, and will be back again next year.

ORVAL ("DOC.") THOMPSON.....*Guard*

"Doc" had a little tough luck as to injuries but he certainly played the game when he could. We must give "Doc" up this year.

BENSON LEWIS.....*Tackle*

Benson really played the tackle position well. Benson will be a promising man next year.

ROBERT MOORE.....*Halfback*

Bob did fine in every game he played, especially the Hinton game. He will more than likely hold down a halfback position next year.

DWIGHT FILE.....*Guard*

"Four out of five get them broken!" But Dwight made the linesmen live hard too.

"BILL" SHANKLIN.....*End*

Bill was fast and very capable of holding the end position. Bill played the halfback position part of the time. We must give Bill up this year also.

JOE FARRIS.....*End*

Joe had several chances and performed well. If we're right Joe will shine next year.

BOB TURNER.....*End*

Bob had his chances too and made good. Watch Bob next year.

MIKE QUINN.....*Guard*

Mike did everything he was given to do, and we hope he is as good next year.

ROBERT LONG.....*Halfback*

Bob did well at every chance he got. There will be a tussle for halfback positions next year. Bob's prospects are fine.

ROLAND HURT.....*Tackle*

Roland was a real linesman, and did everything that was expected of him, opening and stopping the holes in the line. Roland will be back next year.

EDWARD BRIDI.....*Tackle*

Mr. Avoir DuPois! Ed got a few chances and did fine. Ed will not be back next year.

WILLIAM WADE.....*End*

Bill had several chances to show his wares too. Bill's a Senior and he will not be back.

CLYDE WILLIAMS.....*Tackle*

Clyde got in a few times and would be a very promising player next year if he were not leaving.

Among those who did their best to help make our team a success, and who deserve honorable mention are: HERBERT BRAGG, JAMES LEMON, WILLIAM BROWN, EDWIN BURKE, HOWARD EADS, ALVIN MCDEVITT, TEDDY PUGH, LUNDA SURRATT, and CHARLES HOFFMAN. Then too we had two of the best managers we have ever had in the persons of JAMES LUAIRE and NOEL CHRISTIAN.

Basket-ball Resume

The Flying Eagles came soaring through the 1929 basket-ball season in fine shape, losing only four games out of eighteen, a record we should be proud of.

During the season the Eagles administered two defeats to Montgomery, the winner of the sectional tournament. They also defeated Mt. Hope twice, and Princeton once. We might mention that this was the only team to defeat Princeton this year. The following is a resume of the games at and away from home, placed in the order in which they were played:

At the new River Sectional Tournament held at Montgomery, on March 1st and 2nd, the Flying Eagles were defeated by Montgomery in a tight game by the score of 23-18. *But not because Beckley was a weaker team!*

Walter Rappold made the center position on the first all-tournament team, and Fred Hurt won a guard position on the second team. Beckley, being one of the four teams to reach the semi-finals, will be allowed to go to the state tournament at Buckhannon on March 14th, 15th and 16th. *Anything might happen!*

TUMBLERS

Tumblers' Club

The Tumblers Club is a new club in high school introduced and sponsored by Miss Caroline Johnston. This club meets every Monday and Wednesday and has proved to be one of the most interesting clubs in school. We have entertained several different organizations in town such as: the Kiwanis Club, the Woman's Club, the P. T. A., the American Legion, and have also given programs in the school assemblies.

Tumbling is a form of natural gymnastics. The aim of this club is the enjoyment of participation; development of the body as a whole, and promotion of physical efficiency.

Best All-Round Girl in G. A. A.

TO GEORGIA KIDD, a very capable and talented young miss, has been conferred the title of best all-round girl in the Girls' Athletic Association. This is indeed an honor and it is certain that Miss Kidd will keep the colors flying. In all her classes she has exhibited exceptionally good work; in athletics, her's is the skill which comes only through constant practice and careful training. Also, as president of the G. A. A. she has displayed unequaled ability as a leader. The Senior Class of '29 regards her as a valuable asset.

TOURIST—"Shall I take this road to Mt. Hope?"
ILA C.—"It isn't necessary; they already have one over there."

MRS. GUY—"How would you like mother for lunch, dear?"
MR. GUY—"Fried."

DONALD LAFON—"Say, Howard, what's your girl's name?"
HOWARD WALLS—"Belle."
DONALD—"Did you see her last night?"
HOWARD—"Well, I went over, but when I got there, there was a sign on the door, 'Bell Out of Order', so I didn't go in."

FRESH—"Who is the laziest man in the world?"
SOPH—"I don't know; who is!"
FRESH—"The fellow that eats in the dining-car on a train because it stirs his coffee."

"Speaking of old families," said Miss Stephenson, "one of my ancestors was present at the signing of the Magna Charta."
"And one of mine," said Mrs. Robertson, "was present at the signing of the Ten Commandments."

"Does Henrietta live at home?" was asked by a friend of Mrs. Koiner.
"Oh, no," she replied, "she isn't married yet."

"Jimmy Koiner," said Mr. Cook, "do you know what becomes of little boys who use bad language while playing marbles?"
"Yes, sir," replied Jimmie, "they grow up and play football."

"Which would you prefer in your future husband—wealth, ability, or appearance?" asked the pretty girl.
"Appearance, my dear," replied the spinster, "but he's got to appear pretty soon."

BARBER—"Is there any particular way you want your hair cut?"
ROY L—"Yes; off."

COACH (talking in assembly)—"We have bought rubber football pants for next year."
FRESHMAN—"The big babies."

MR. KNOTTS—"Not a Senior will be given a privilege this year."
SENIOR—"Give me liberty or give me death."
MR. KNOTTS—"Who said that?"
SENIOR—"Patrick Henry."

JACK HOLLANDSWORTH—"Say! If you don't look where you are going you will wreck us."
NORA HOLBROOK—"Good gosh! I thought you were driving."

"Aw, what good is percentage," growled Walter Rappold.
"Now, Walter," asked Mr. Green, "don't you want to learn how to figure batting averages?"

FAY MAPLES—"Still looking!"
"I don't understand this home-work, Dad; Mr. Bryson told us to find the greatest common divisor."
MR. MAPLES—"What, haven't they found that yet? They were looking for it when I was at school."

STAY AT HOME SOMETIMES—HOME, SWEET HOME

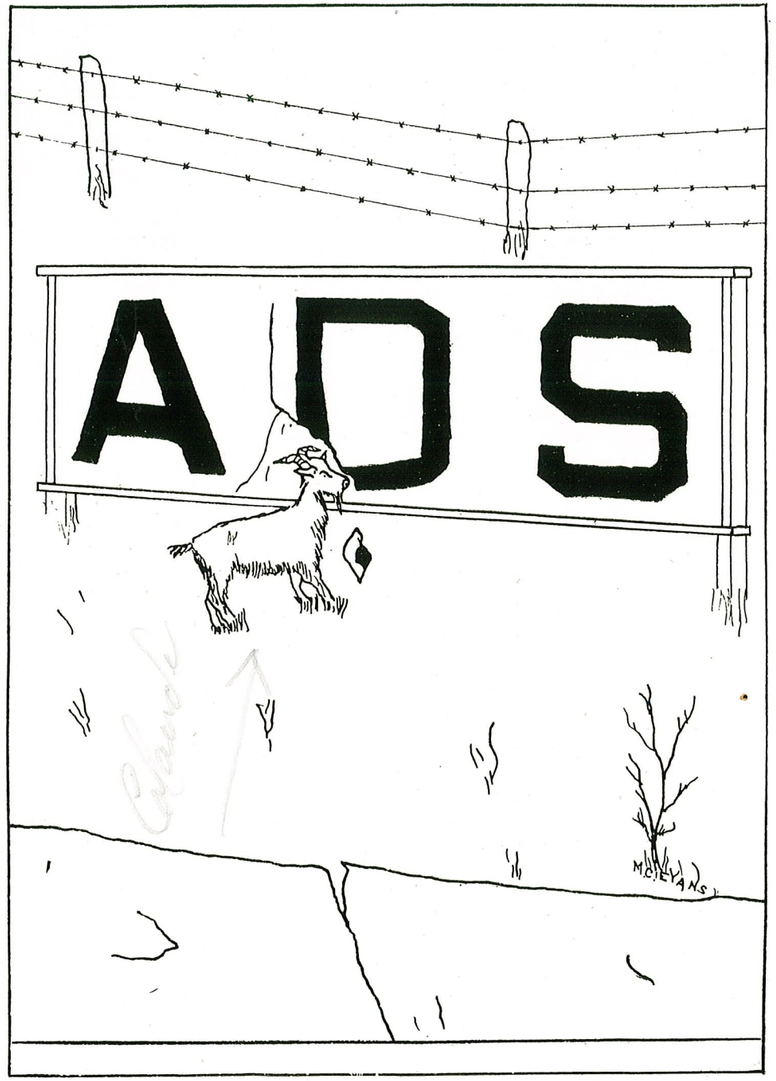
Mr. Milliron came home from work very tired and said: "Isn't it grand that we can stay at home tonight!"
"But we're not," stated Mrs. Milliron. "We're invited out to dinner and after that we are going to the show!"
"And after that?" asked Roy hopefully.
'After that we're going to the new night club on Harper Road."
"And after that?" he said.
"Oh, home, I suppose," said Mrs. Milliron, despairingly.

MR. KNOTTS—"Most men call a spade a spade—until they drop it on their toes."

TOMMY—"What do you think of this Byrd Antarctic Expedition?"
HENNY—"Not so hot, not so hot!"

Did you hear about the Scotch athlete who hated to loosen up his muscles?

"What's your name, girl?"
"Annie."
"Annie what?"
"Anything."

MISS PORTER—"Maude, would you explain to the class what a Nun is?"
MAUDE HOBSON (on the impulse of the moment)—"A Nun is a person that never did have none and never will."


DR. DUPUY—"Son, when Washington was your age, he was a surveyor."
PRUNES—"Yes, and when he was your age he was president."
